Press Release

logitrans Turkey postponed – New Date November 10-12, 2021

- EKO MMI Fuarçılık Ltd. Sti. Announces postponement of logitrans Turkey originally scheduled to be held on 11-13, 2020 due to Covid-19 pandemic
- Next logitrans Turkey 3 day physical event November 10-12, 2021 at IFC Istanbul

Due to the current situation with the coronavirus (SARS-CoV-2) and the consequent feedback from majority of our registered exhibitors that they are not being able to join the event, EKO MMI Fuarçılık Ltd. Sti. is forced to postpone logitrans Turkey to November 2021.

Even if a physical fair with protection and hygiene measures could have taken place, the current developments regarding new travel restrictions in numerous countries have demanded a rethinking of the planning.

“We are adapting to this dynamic situation and are rescheduling logitrans Turkey, which will be held November 10-12, 2021 at Istanbul Fair Center, Istanbul. Under the current Covid-19 conditions, we would not have been able to meet the expectations of the industry with our show this year in November” says Gerhard Gerritzen, Member of the Management Board of Messe München.

In 2021 logitrans Turkey will be held as usual as a 3 day physical event bringing together the logistics, air cargo and supply chain management community in Istanbul and thereby presenting the platform to meet, connect, learn and embrace new business opportunities.

Ilker Altun, Managing Director, EKO MMI Fuarçılık Ltd Şti, Turkey adds: „International supply chain management has been absolutely essential supporting the global trade, including the delivery of vital shipments of medicine and supplies fast and safely. I am confident that the opportunities the supply chain community is facing can help this industry come out of this crisis stronger, modern and more resilient to future shocks. I look forward to welcoming all representatives again in November 2021 in Istanbul.“
