exhibition and conference

While Turkey has taken important steps to become a hub, the pulse of the air cargo industry will again be taken at logitrans. Parallel to the exhibition logitrans hosts conference and meeting programs for the air cargo sector. The industry's most important players regularly take part in the trade fair. air cargo Turkey, which is a special part of logitrans, will be the ideal event of the year to follow up the developments in this highly dynamic industry.

vehicles and equipment

Developing and changing modes of transport have not affected the popularity of road transport. The commercial vehicle sector, which enables the flow of transport on roads, is still the flower of the industry. Key Players of the truck, trailer and light commercial vehicles industries are coming together at this special event program at the only logistics fair of Turkey, one of the largest commercial vehicle manufacturing countries in Europe.

exhibition and conference

rail cargo Turkey, which was launched in 2018 and welcomed with interest, will carry the railway transportation to the focus point again. This special section, which is the latest product of logitrans' motivation to develop the logistics sector in all respects, is a candidate to be the favorite activity in 2019 where international sector leaders and pioneers of railway transportation will come together. You can follow up the latest developments from rail transportation industry which shows significant improvements each year in rail cargo Turkey.

**Müge Karahan**  
Marketing & Sales Development Manager  
Fevzi Gandur Lojistik

As every year we have had a very fruitful process at the logitrans fair, which brings together the whole sectors and brings together many domestic and foreign participants with the sector's pioneers. We are pleased to participate in this most experienced specialized exhibition in order to make fruitful interviews with our foreign and local customers, suppliers and the companies we aim to work with.

Turkey Sales Manager  
Krone

logitrans fair, held in Turkey and sectoral trade fairs create impact both nationwide and on global scale. Even if we were going through such a period, we decided to attend this fair without hesitation. Krone's all sales staff have hosted guests from dozens of countries from 3 different continents for 3 days. We met our carrier friends from all over Turkey. Having participated in the fair we showed that we are the Turkish transporter's companions, and we will continue to be with the Turkish carriers.

## Exhibitors' opinions of logitrans 2018

### Şengül Ergün

Corporate Communications Manager  
Omsan Lojistik

logitrans has an important role in bringing together the logistics and supply chain sectors of Europe, North Africa, Middle East and Central Asia. With the dynamism brought by the fair, much cooperation is developed and new projects appear. The fair management creates a suitable atmosphere for collaborations to be developed with a professional and solution-oriented approach and supports commercial achievements.

### Erkin Fındık

General Manager  
Ulukom Bilgisayar / WiseTech Global Group

logitrans is the only international logistics fair held in Turkey and responds to the expectations of visitors and participants with its structure. We have had good discussions with our current and potential customers in our field and we are very satisfied with the results.

### Onur Talay

Chairman of the Board  
Sarp Intermodal

Intermodal transport is becoming increasingly important for Turkey and consequently for logitrans. During the last years we saw a good growth and also expect intermodal to be the efficient and sustainable future in our industry. As Sarp Intermodal we will lead this movement and our existence at logitrans, which is a perfect location for presenting our services.
